QUALITY POLICY

We at Jindal aluminium Limited are committed to comply with requirements of ISO 9001:2015 to ensure good quality, meet customer requirements & enhance customer satisfaction in the manufacture & supply of extrusions of aluminium & its alloys.

In order to accomplish this, we shall –

- ***Detect & prevent any non-conformance during production.***
- ***Identify risk & opportunities in all processes for improvement.***
- ***Comply with applicable statutory & regulatory requirements.***
- ***Train & motivate all our employees to sustain their continual awareness on Quality System.***
- ***Upgrade our technology continually to meet expectations of customer.***
- ***Establish & review quality objectives and take necessary action as needed.***
- ***Effectively communicate the quality policy to our employees & other relevant interested parties.***
- ***Improve quality of life of the communities living around us by providing basic needs like health, water, education, etc.***
